Docket No. 98N-1265 0250 '99 MAY 14 P2:31

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: With internet, residential couriers,  
800 ordering, geography is irrelevant. The  
legislation to restrict interstate commerce  
is being stuck in the past. With respect  
to pharmacies, they are licensed and they  
like to stay in business by complying  
with the laws.
